

Teenrek

Teenrek is pleased to announce massive price reductions on its' existing range, together with the launch of a brand new range of play equipment for younger children.

Teen Recreation Ltd are specialist suppliers of high quality, heavy duty outdoor sports equipment and teenage recreational areas. Our product range includes multi sport ball courts, goal units, goal ends and teen shelters and all products conform to the requirements of both the PAS30 and PAS35 Kite Mark accreditation.

Open Play is a new range of high quality outdoor products designed for younger children aged 2 to 8 years. Open Play is an Italian company that has been manufacturing since 1966 and Open Play (Scotland) Ltd is the sole Scottish distributor for the Open Play product range.

The range includes spring animals, swings, towers, slides, see-saws and roundabouts.

The products are made from Italian pine wood treated in autoclave and HPL laminates and come with full product guarantees. All products are certified to European Safety Standard for Children's Play Equipment EN1176 and are suitable for both domestic and commercial use. All products are intended to be self-assembly and full instructions are supplied.

Both Teenrek and Open Play will be represented at Scotsturf and products from both ranges will be on display.
